ABOUT US

Company History

WaterFix Plumbing & Construction, based in Johannesburg, has been serving the community since 2010. With over a decade of experience, we specialize in plumbing, construction, and water backup systems.

Our business is located at 7 Kiewiet Road, Johannesburg. We have built a strong reputation for delivering high-quality services to both residential and commercial clients.

Our Commitment

At WaterFix Plumbing & Construction, we are dedicated to providing exceptional customer service. Our spotless record reflects our commitment to ensuring 100% customer satisfaction. We take pride in thoroughly cleaning the work area before leaving the customer's home and following up to ensure the job meets their expectations.

Our team of experts is committed to delivering top-notch service regardless of the project size, making us the go-to choice for all plumbing and construction needs in Gauteng.

2.

BUSINESS GOALS AND OBJECTIVES

Vision

Our vision at WaterFix Plumbing & Construction is to be recognized as the leading plumbing and construction service provider in Gauteng.

We aim to deliver quality services that not only meet but exceed our customers' expectations.

We strive to be the preferred choice for both residential and commercial projects by consistently providing reliable, efficient, and top-quality services.

Mission

Our mission is to build long-term relationships with our customers and clients by providing exceptional customer service through innovation and advanced technology.

We are dedicated to delivering superior workmanship and ensuring the complete satisfaction of our clients.

Our goal is to grow our business through enhanced services, strong customer relationships, and sustained profitability.

3.

CORE VALUES

At WaterFix Plumbing & Construction, our core values are the foundation of our business. They guide our actions and decisions, ensuring that we consistently deliver the highest standards of service.

Respect and Integrity:

We believe in treating our customers and employees with respect and faith. Integrity and honesty are at the heart of our operations, ensuring trust and transparency in all our interactions.

Quality and Excellence:

We are committed to providing top-quality services that exceed customer expectations. Our team strives for excellence in every project, paying meticulous attention to detail and maintaining high standards of workmanship.

Innovation and Creativity:

We grow through creativity, invention, and innovation. By embracing new technologies and innovative solutions, we continuously improve our services and offer cutting-edge solutions to our clients.

Customer Satisfaction:

Our customers are our priority. We are dedicated to building long-term relationships by providing exceptional customer service and ensuring complete satisfaction with every project.

Teamwork and Collaboration:

Our success is built on the unique skills, energy, and expertise of our team. We foster a collaborative work environment where every team member contributes to achieving our common goals.

Sustainability and Responsibility:

We are committed to sustainable practices that protect the environment and ensure the well-being of our community. We operate responsibly, balancing our business goals with the need to preserve resources for future generations.

4.

PLUMBING SERVICES

At WaterFix Plumbing & Construction, we offer a comprehensive range of plumbing services to meet the needs of both residential and commercial clients.

Our team is equipped with the latest technology and expertise to handle any plumbing issue efficiently and effectively.

Leaks

We use the latest technology to detect and repair leaks in your plumbing system. Whether it's a minor drip or a major leak, our skilled technicians can identify the source and provide a quick, lasting solution.

Geysers

Our geyser services include the replacement of burst or leaking geysers in a variety of sizes, such as 100, 150, 200, and 250 liters. We ensure all installations comply with the SANS 10 254 installation specification for safety and quality assurance.

Drains

We specialize in unblocking drains using top-of-the-line technology. Our services cover a wide range of drainage systems, including toilets, showers, sinks, prep bowls, basins, baths, urinals, and sewer lines. Our advanced equipment can clear blockages in pipes ranging from 50mm to 110mm.

24/7 Emergency Services

Plumbing emergencies can happen at any time, which is why our team is available 24/7 for emergency call-outs. Whether it's a burst pipe, a blocked drain, or a leaking geyser, you can count on us to respond promptly and resolve the issue quickly.

5.

WATER BACKUP SYSTEMS

WaterFix Plumbing & Construction provides reliable water backup systems to ensure continuous water supply for residential and commercial properties. Our range of systems offers peace of mind during water cuts and emergencies, delivering uninterrupted access to clean water.

Installation Sizes

We offer water backup systems in various sizes, ranging from 750 liters to 50,000 liters, to meet the specific needs of our customers. Whether you need a system for your home, office, or business, we have a solution that fits your requirements.

Benefits

24/7 Water Supply Security:

Our water backup systems guarantee round-the-clock access to water, even during water cuts or supply disruptions.

Optional Filtration System:

For enhanced water quality, we offer optional filtration systems that remove impurities and contaminants, ensuring safe and clean drinking water.

Various Colors Available:

Choose from a range of colors, including:

- JoJo Green,
- Cloudy Grey,
- Khaki,
- Wintergrass,
- Stormy Sky,
- and Bushveld,

to complement your property's aesthetics.

Why Should I Have a Water Backup?

Water storage tanks provide a reliable solution to protect your home or business from the risk of water shortages.

With Johannesburg experiencing water supply issues due to high consumption and diminished supply, having a water backup system ensures uninterrupted access to clean water for drinking, cooking, and other essential needs.

6.

WATERPROOFING SERVICES

WaterFix Plumbing & Construction offers comprehensive waterproofing services to protect your property from water damage and leaks. Our expert team specializes in waterproofing solutions for residential, commercial, and industrial buildings, ensuring long-lasting protection against moisture ingress.

Additional Waterproofing Services

In addition to our primary waterproofing services, we also provide the following:

Painting:

We offer professional painting services to enhance the appearance of your property while providing an extra layer of protection against the elements.

Damp Proofing:

Our damp proofing solutions prevent moisture from seeping into your walls and causing structural damage.

Roof Repair:

We repair damaged roofs to prevent water leaks and extend the lifespan of your roof.

Gutter Repair:

Properly functioning gutters are essential for directing water away from your property. We repair and maintain gutters to prevent water damage and maintain the integrity of your building.

7.

CONSTRUCTION SERVICES

WaterFix Plumbing & Construction provides a wide range of construction services to meet the needs of both residential and commercial clients. Our experienced team is dedicated to delivering high-quality workmanship and exceptional customer service on every project.

Commercial & Domestic Projects

We offer construction services for both commercial and domestic projects.

Whether you need a new office building, a retail space, or a residential property, we have the expertise to bring your vision to life.

Renovations and Extensions

Thinking of renovating your home or adding an extension?

We specialize in renovations and extensions that enhance the functionality and aesthetics of your property. Our team works closely with you to understand your needs and deliver solutions that meet your expectations.

New Developments

From planning to completion, we manage new development projects with precision and attention to detail.

Our goal is to deliver high-quality, sustainable buildings that meet the specific requirements of our clients.

7.1

CONSTRUCTION SERVICES

Specialized Areas

We provide a variety of construction services tailored to specific areas of your property:

Bathrooms:

Transform your bathroom with our expert renovation services, ensuring modern design and functionality.

Kitchens:

Upgrade your kitchen with our comprehensive renovation solutions, creating a space that is both beautiful and practical.

Extensions and Alterations:

Whether you need additional space or want to modify your existing layout, we offer extensions and alterations to suit your needs.

At WaterFix Plumbing & Construction, we understand that every project is unique. We take the time to listen to your requirements and provide tailored solutions that exceed your expectations.

Our goal is to deliver results that you can be proud of, on time and within budget.

CLIENT REVIEWS

At WaterFix Plumbing & Construction, we take pride in the positive feedback we receive from our satisfied clients. Here are some testimonials that highlight our commitment to exceptional service and quality workmanship:

"Quick, friendly, and professional service. This team stands out from all the rest. Highly recommend WaterFix. They came to the house, added two new bedrooms, and renovated one of the bathrooms. Also, they left the area they worked in spotless! Happy I found you. Thank you!!!"

Johan Pieterse

"WaterFix has met all my expectations and more. Above all, they listen, understand, and advise me with all of the building work I have needed for the new project. If you are looking for a construction company that is worth their salt, I would highly recommend WaterFix to receive good service at an affordable price."

Alwyn De Klerk

"From start to finish, Dinesh has been very helpful and honest. We finished our home two weeks ago, and I have never been happier. Awesome company!"

Carly Lindeque

These reviews are a testament to our dedication to customer satisfaction and our ability to deliver high-quality results. We value our clients' feedback and continuously strive to exceed their expectations in every project we undertake.
